

## 1. PURPOSE

This policy describes how cookies are used on the Europcar South Africa website.

## 2. SCOPE

This policy applies to the Europcar South Africa Information Officer and the developers of the Europcar South Africa website.

## 3. GLOSSARY OF TERMS

Unless inconsistent with the context, the words and expressions in the policy (and procedures, standards and guidelines supporting the policy) have the meanings assigned to them in the Europcar South Africa Glossary of Terms.

## 4. EUROPCAR SOUTH AFRICA COOKIE POLICY

Europcar South Africa:

- 4.1 uses cookies on the Europcar South Africa website;
- 4.2 uses essential cookies for the operation of the Europcar South Africa website that are, by default, set to indicate consent by the user, which consent can be denied by the user by selecting "NO" in a "Cookie Table" displayed to the user;
- 4.3 deletes the information gathered by the essential cookies immediately at the end of a browser session on the Europcar South Africa website;
- 4.4 subject to 4.2, requests users of the Europcar South Africa website, to grant, by an affirmative action, specific, informed and unambiguous consent, before using cookies on the users device or collecting and storing information about the user; and
- 4.5 is transparent about the types of cookies stored and the periods that the information will be stored.
